VISION

"To reorient Technical Education which shall be relevant to the real world-of-work, attractive to the students, responsive to the industry and connected to the community at large".

Message

I am very pleased to know that the Haryana State Technical Education Society is publishing an Admission Brochure for various courses in the Technical Education Institutions of Haryana for the academic session 2018-19 in the Technical Education.

Technical Education is critical in harnessing the energies of our youth in the nation building. In the knowledge-based economies its role is becoming even more significant. Our Technical Education Department is continuously upgrading and updating courses and curriculum as per the requirement of the Industry. Machinery and equipment are also upgraded regularly.

To further promote the spirit of "Beti Bachao Beti Padhao" 25% seats have been reserved for girls in all Technical Institutions of the State. Besides this, no tuition fee is being charged from girl students admitted in Government and Government Aided Polytechnics.

Our dream is that our youth should be skilled, self-reliant and that they have the qualities of entrepreneurship and a whole host of new doors of employment get opened for them in the country and abroad.

Skill development schemes like Community Development through Polytechnics (CDTP), Creation of Employment Generation Opportunity (CEGO) and Pradhan Mantri Kaushal Vikas Yojana (PMKVY) in addition to technical courses at Diploma, UG and PG level are also being run by the Technical Education Department to make the youth employable.

I hope the aspirant will find this brochure useful, which includes all relevant information regarding admissions, fee and various motivational schemes of the Government for the academic session 2018-19. I wish you success in all your ventures and look forward to your support in building a stronger, modern and developed Haryana.

Message

      Technical Education is very important for the development of the country in general and empowerment of youth who have scientific temperament and aptitude for skill. It is the axis around which the development of an industry, infrastructure and economy of the country revolves. The main aim of Technical Education Department is to upgrade the quality of technical education in the State.

      Haryana is the first State in the country to introduce "On line off campus" counseling. Technical Education Department is taking many initiatives to improve the quality of technical education and to enhance the employability of every degree/ diploma holder. The information provided in this brochure will help and guide the aspiring candidates to seek admission in the branches of engineering/ non engineering of their choice for the academic session 2018-19.

      I hope that Technical Education Department will continue to upgrade and update its courses/ curriculum as per the requirement of the industry to make the students capable enough to interface with skill, scale and speed as per the requirement of the industry to meet the global competition. I wish all the students a very bright future.
